

Special Offer for Redwood Writers

Redwood Branch of
California Writers Club

You know you need a website
to promote your book.

Does the thought of figuring it all out give you a pain in the gut?

Do you grind your teeth just thinking about it? Luckily, you're a member of an organization with the motto: *writers helping writers*. In that spirit, Ann Wilkes is offering to build websites at a special rate for RWC members. She's making it easy for you with four custom author website designs to choose from. She will further customize them to your font and color specifications and with any photos and graphics that you provide.

You can look at the sample templates on line now here:

Template 1: <http://wilkes.zftp.com/RWCtemplate1.html>

Template 2: <http://wilkes.zftp.com/RWCtemplate2.html>

Template 3: <http://wilkes.zftp.com/RWCtemplate3.html>

These are templates for a home page, but Ann will also do corresponding appearances, bio and links pages or whatever other pages you're linking to, within reason.

Template 4: <http://wilkes.zftp.com/Newsletter.html>

You can go for a single page design by adopting this one.

The total cost to you is \$75 for the design. Ann will donate \$15 of the design cost back to the Redwood Writers. RWC will host your page on their server for \$15/year. For the first year the total is only \$90 and for subsequent years, only \$15.

So your URL would be something like:

<http://redwoodwriters.org/JaneWriter.html>.
